

# The Future of Work is Play

## Global Shifts Suggest Rise in Productivity Games

**International Games Innovation Conference November 2-3, 2011**

Ross Smith - Director of Test  
Microsoft Office Lync

More young children know how to play a computer game (58%) ...  
than swim (20%) or ride a bike (52%)

91% of kids age 2-17 are gamers

69% of kids age 2-5 can use a mouse,  
but only 11% can tie their shoelaces

64% of parents believe games are a positive part of their kid's lives

# 68.7 million US social gamers in 2011

18 - 24 year olds  
send and receive 110  
texts a day on  
average ...

47% work beyond regular business hours  
32% do personal activities at work

Global Shift: Blurred Work and Life

In a global village of 100  
61 would be Asian (20 Chinese, 17 Indian),  
11 would be from Europe...  
and 70 would be gamers...

# Build a Story - Rapid Productivity Game Example

- Microsoft Office Lync – Unified Communication Software
- Features used in Game: IM Conferencing, Send as Email

## Productivity Game Play

1. Game Master seeds story and adds a player to the IM conference
2. New player IM's additional story line and invites next player
3. Next player only sees IM from previous player
4. All players in the IM conference watch the story unfold
5. Repeat steps and send final story in email

## Real Story Snippet

**Game Master:** This story is about a boy who, in search of treasure, meets a man who calls himself King.

**Player 1:** King is not actually a king

**Player 2:** But the royals are flushed

**Player 3:** Flush with cash

**Player 4:** Wohooo! I am going shopping!

# Solve Me a Riddle

- Microsoft Office Lync – Unified Communication Software
- Features used in Game: IM Conferencing, Voice call

## Productivity Game Play

### Steps

1. User chooses a riddle to solve from a list of riddles.
2. User makes a 'Call via Work' or 'Sends an IM' from Lync mobile app to 'RiddleMaster' with the answer.
3. If the answer is correct User gets a point.
4. User collects 5 points and that earns him/her a Tee Shirt.

## Real Story Snippet

**Martin Van Buren [12:13 PM]:**

11. Glittering points  
That downward thrust,  
Sparkling spears  
That never rust.

Answer for 11 is Fireworks

**RiddleMaster [12:14 PM]:**

Close. Try again.

**Martin Van Buren [12:15 PM]:**

Icele

**RiddleMaster [12:15 PM]:**

Yes. That's right. You get a point.

# Guidelines for Productivity Games

- Set Clear Objectives
- Use Rewards Carefully
- Keep Duration Short
- Implement 'Broad Appeal' Mechanisms
- Focus on "Organizational Citizenship Behaviors"
- Support

Thank you
